BK DESIGNWORKS, LLC of Canton, CT, announces the addition of DIGITAL WIDE-FORMAT COPYING to their On-Demand Printing Services.

Shop owners Diane Kowalczyk and Karen Berger are very excited to be able to offer this service expansion to the Farmington Valley's builders, contractors, real estate and site developers, engineers and anyone needing large black and white copies. One highly useful advantage of the new Ricoh 240W is the ability to reduce, enlarge and rotate images. A second is the potential to print to paper sizes ranging from 11x17 sheets to widths of 18" to 36." In the future, BK Designworks expects to add the ability to print directly from the computer, a customer's disk or an emailed file. The public is invited to stop by and view samples.

BK DESIGNWORKS is "Your Local One-Stop Quick-Print Shop," offering a diverse range of services including awesome digital laser color and high-speed black & white copies, blueprint copies, postcards, banners, electronic brochures, special event invitations and newsletters, just to name a few. BK Designworks specializes in fast turnarounds, small quantities and creative solutions for those who need it NOW.

Whether you come in for quick copies, need a holiday card designed, or business stationery, you will be greeted with professionalism and an easy smile. BK Designworks' credo of 'Integrity, Price, Quality' is reflected in their mission of providing affordable media services to small businesses and individuals in the Farmington Valley and beyond.

BK DESIGNWORKS, LLC is located at 290 Albany Turnpike, Route 44 in Canton (half-mile west of Canton Village).
